

# **Technical Information for the Jaeb Theater located at The David A Straz, Jr. Center For the Performing Arts**

## **General Information:**

The Center is located along the east bank of the Hillsborough River in downtown Tampa, and provides an environment for a wide variety of attractions and concerts.

It is the largest performing arts complex south of the Kennedy Center in Washington, D.C. The \$57 million, 290,000 - square foot building is made up of four separate theaters.

The performing spaces in the complex can easily accommodate major musicals, dance, theatrical and television productions, as well as an assortment of events such as awards programs, films, pageants, conventions, and meetings.

## **LOCATION**

The David A. Straz, Jr. Center for the Performing Arts is located at 1010 North W. C. MacInnes Place, which is one block west of Ashley Street. The Center is just south of I-275 and north of the Tampa Library, at the west end of Fortune and Tyler Streets.
